1. Mr. Tribby, Chief Clerk of the Senate Armed Services Committee, asked me to talk with a Baltimore lawyer, Mr. John P. Zebelean, Jr. who had a client with property in Yugoslavia and wished advice as to how best to remove the property deeds from Yugoslavia. I informed him that the best approach would be through the Department of State.

STAT 2. Meeting of the Special Committee was held under the Chairmanship of [] to discuss the problems of hazardous duty pay for members of the Agency.

3. Talked with George Moore, House Civil Service Committee, regarding the possibilities for hazardous duty pay for CIA personnel. He suggested that we approach the problem through Mr. Winslow of the Bureau of the Budget, and that the Committee would be receptive. He also informed me that Cong. Rees would take any steps necessary to help assure our complete exemption from appropriations provisions regarding accrual of leave.
